Tennessee Quarter Horse Youth Association RULES AND REGULATIONS

1. Team Member Participation

-- Team members representing TQHYA in all team functions must put forth full participation, including stalling with the team and marching in the parade of states at all sponsored functions such as AQHYA World and Congress, participating in all specified fund raisers, community service projects, and attending two youth meetings. All requirements must be met to obtain a state position and/or financial support.

-- Any one youth may be invited to represent TQHYA with up to two class entries. The top two qualifiers in each event will be invited to participate as determined by TQHYA point standing. In the event that a youth is qualified in more than three entries (first or second in TQHYA point standings from September 1 through June 30), said youth should choose the two entries on which he/she would most like to participate. The next highest qualifier would then be allowed an opportunity to participate, and so on, down to fifth place. If none of those youth choose to show, the original qualifier may then ride an additional entry. These entries shall be in addition to any and all national invitations. A youth's entries may consist of more than one horse, including multiple horses in any one class, in accordance with AQHYA rules. Such multiple horses will constitute multiple entries (for example: if a youth chooses to ride one gelding and one mare in reining, this will count as two of his/her two classes. No one exhibitor can show two horses in one class if that decision eliminates another exhibitor from participating.

-- Exceptions will be considered by the Youth Committee.

RULES

-- Members competing for a slot on the AQHYA World team should be present at the cutoff date show or notify the Youth Director.

-- If a youth has committed to go to the AQHYA World or to the Congress on a team and later withdraws the entry, he/she will be held financially liable for all entries and expenses incurred in their behalf, except in extenuating circumstances.

-- Members of the All-American Quarter Horse Congress and Youth World Show teams representing Tennessee Quarter Horse Youth Association must be Tennessee residents.
